Make this into a PP presentation for Dr. Jafari by Tuesday

Separation of Duties

Ben Johnston
    -Characterization of sensors
            +Drift
            +Offset
            +Power
    -Vicon SME
            +Operation of system
            +Extracting data
            +Issue handling
Alex Dubois
    -Database Setup
            +Database stuff
    -GUI
            +Interface buttons
            +Data displays
            +Error displays
Kevin Burns
    -Signal Processing
            +Signal Correction
            +Signal Synchronization
            +Noise Filtering
    -Data Analysis
            +Derivations and Integrals for pos, accel, jerk
            +In house quantification of LBD
Benny Chan
    -Kinect Characterization
            +Comparisons to Vicon
            +Gesture control
            +Frames of reference
    -Vicon SME
            +Operation of system
            +Extracting data
            +Issue handling
